Dedication ...

The Seniors of 1961 take great pleasure and pride in dedicating this, our annual, to Mrs. Annette King, a teacher of great amiability and co-operation. We laud her in this way in order to show our appreciation for her wonderful generosity toward us in years gone by.

Last Will And Testament

Being the greatest Senior class yet, we do humbly bequeath to the future Seniors the following items which are to be used to the best advantage:

Al leaves his ability to play pool to Len Lane.
Betty leaves 15 inches of her hair to Mr. Creath.
Blanche leaves her desk in the Senior homeroom to Carol Jean.
Bobby leaves his "big mouth" to Cynthia Owen.
Carolyn leaves her ability to stay in a whole game without "fouling out" to Martha Rowe.
Charles leaves a large portion of his weight to Mr. Davies.
Charlotte leaves her height to Pat Winn so she can come down to our level.
Frank leaves his English grades to anyone who can improve them.
Ginger leaves her love for Dinwiddie to the basketball team.
Grace leaves her ability to keep quiet at the right time to Shirley Loftis.
Guy leaves his typing ability to Sambo Richardson.
Gwenn leaves her ability to get by with murder to Buddy Bare.
Jacque leaves her sense of humor to Mrs. Fisher.
Jane leaves her ability to cope with Latin to Johnny Fisher.
John leaves his artistic ability to Mr. Blankenship to be used in World Geography.
Judy leaves her little sister to cheer for both of them at the basketball games.
Kay leaves her ability to gain weight to Mary Clifford.
Marilyn leaves her basketball ability to Evelyn Roberts.
Nelson leaves his quiet attitude to Bob Hawkes.
Peggy leaves nothing to no one because she needs it herself.
Sandi leaves her deep love and devotion for Texas to the poor underprivileged Virginians at Midway.
Tommy leaves.
William leaves his ability to flirt with girls to Waverly Reames.

To the teachers we leave the memory of hours well spent as they instructed us to the best of their ability.

And to the others we leave our sincere best wishes and hopes that they may profit as we have from our years at Midway.

Prophecy

As I see it, the future seems very bright for the Seniors. They've gone on to raise money or children (all of whom will go to Midway of course). Shall we take a preview of what each is going to do? The picture is becoming clearer, as I see Al's future coming into view.

Al's suspenders are now supporting his family as well as his pants. He sells them.

Bobby decided to teach English at his Alma Mater in recognition of his gratitude to Miss Abrahams.

Blanche's fervent work in the lab proved profitable when she had discovered a love potion for conquering steadies.

Betty's hair finally brought her more than tangles. She cut it to sell to a wigmaker.

Charles has obtained a health salon and is showing others how to lose weight.

Carolyn succeeded in being the first female on the Philadelphia Warriors.

Charlotte has to stay home more at nights so that Frank can go to P.T.A.

Frank is having a hard time remembering which teacher to stand up for at P.T.A.; eight names are a lot for a man to remember.

Ginger's high school vocalizing is proving effective in calling "the kids."

Guy has just received a contract to construct a skyscraper in Nome, Alaska.

Gwenn is singing lullabys now instead of the Alma Mater.

Grace and her electrician are getting a charge out of their five little amps.

Jackie decided that as long as the referee was going to tell her what to do she might as well marry him.

Judy is waiting in the operating room for some of her friends so that they can do a little "cutting up."

Jane became President of Madison, devoting her life to teaching her Midway friends' children.

John's latest art work is receiving high acclaim from New York critics.

Kay is still watching ballgames but now she watches Winfred, Jr.

Marilyn decided to put her bus driver's training to work for the City bus line.

Nelson is now teaching public speaking in high schools.

Peggy has finally learned to cook meatloaf the way Ray likes it.

Sandi has returned to Texas to become a female rancher with herds of males.

Tommy decided to start photographing models until his wife found out.

William is still "dear hunting".

What will happen to the Seniors? I can only guess, but whatever they do is bound to be for the best.

The Midway High School FFA Chapter is very active and competes in many different contests. Hanging on the wall in the classroom are many plaques won by the chapter.

This year the degree team won the Federation contest held at Blackstone. In the spring the team will enter the district contest.

The chapter also has shop, crop, and forestry judging teams; all of which have done well. Various members of the chapter won a number of prizes for exhibits at the Blackstone fair.

And under the leadership of Mr. J. H. Sommerville, they are trying to become better farmers, as they follow the motto:

"Learning to Do
Doing to Learn
Earning to Live
Living to Serve"

Future Homemakers Of America

The F. H. A. of Midway High School is made up of girls who are interested in home economics and furthering social life in the home, school, community. Two members from this group attended the State F. H. A. Convention in Roanoke. This chapter's President now serves as Federation Secretary. One of the money raising projects for the year has been to sponsor dances to raise money to buy equipment for the Home Economics Building.

The most stressed purposes are:

1. To promote a growing appreciation of the joys and satisfactions of homemaking.
2. To work for good home and family life for all.
3. To provide wholesome individual and group recreation.
4. To further interest in home economics.
